To whom it May Concern,

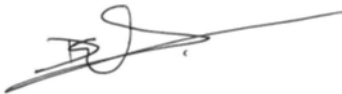

## **Performance Reference – Process & Allied Contracting Equipment (Pty) Ltd (PACE)**

Thakadu Battery Materials (Pty) Ltd has recently contracted with PACE for the supply of various process valves (manual & automated) relating to our Nickel Purification Plant.

The team at PACE has shown great subject knowledge and provided commercially and technically excellent service. Valves were delivered on time and within budget.

Thakadu will recommend PACE for future supply of process valves in the chemical industry.

Yours Faithfully
